A GROWING NEWSPAPER IN A GROWING COMMUNITY

Volume 53, Number 26 | CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA | Thursday, March 18, 1948

Our Town

By Peggy Blanchard

Mrs. J. R. Locke's wonderful "family-tree" hat proved irrisistible to judges at Country Woman's club St. Patrick's dinner Monday evening and they awarded her first prize in the annual contest.

Her chapeau was definitely high-hat and was trimmed with two miniature palm trees, complete with toy monkeys and cocoanuts!

Club members' husbands and beaux were guests of honor for dinner and an evening of dancing and entertainment.

As guests, they got right into the spirit of the affair and appeared in home-designed hats that vied with their hostesses'. Frank Coombs wore an Irish-green stove-pipe opera hat — with a magic rabbit showing above the crown! Other men donned flowery bonnets and J. F. Levenburg had trimmed a woven roll-server with pretzel loops for his headgear.

★

Mr. and Mrs. A. L. Beck of Campbell who observed their 61st wedding anniversary March 6 have another celebration in view next week. It's Mr. Beck's 82nd birthday Wednesday, March 24.

★

Mr. and Mrs. Rufus K. Williams and family moved back to Campbell from their ranch home on March first.

★

Although we don't have the pleasure of knowing them, we're rejoicing with the Enderton family today because of their daughter Ann's victory in the Pepsi-Cola scholarship awards. Have to put in a plug, too, for the runners-up who provided stiff competition for the winners — youngsters who qualify for the examinations, even though they don't win, really contribute a higher standard of letters in American Schools—an institution that can use a little more emphasis on scholarship and learning.

Parker House Broken into, $200 Window Shattered

Two apparent teen-agers, according to witnesses, broke into the Parker House Liquor store between 11 and 12 o'clock Wednesday evening and rifled a bottle of fiery fluid by reaching in through the broken glass of the front window. The boys were seen, following the sound of breaking glass, by late movie goers who gave chase aloong Railroad avenue. The chase was futile however, and the marauders escaped.

During the chase, the stolen bottle was dropped and recovered by Deputy Sheriffs who today are checking finger prints plainly evident on the contraband.

Damage of the exceptionally heavy plate glass window is fully covered by insurance and was replaced Thursday. Insurance investigators are working on the case.

Past Nobles

Past Noble Grands of Ada Rebekah Lodge will be entertained at 8 p.m. March 25 by Mrs. Jessie Silberbauer in the home of Mrs. Lillian Ohlen.

SIGNS OF THE TIMES

By Harry Blanchard

It is customary for a newspaper, of sincere editing, to refrain from allowing personal opinion, prejudice and preachment to enter its columns. Realizing this fact, and at the same time realizing that what we are about to say, may seem a refutation of this code of ethics, we have come to the time and place in our Campbell life where our words may be on the border line.

x x x

Innumerable robberies and acts of hoodlumism have occurred in the past few months, Cars have been stripped of accessories, stores broken into, rowdyism and fights have been prevalent. Very little, if anything is done to curb the element responsible for bringing a bad reputation to Campbell. The Sheriff's office did a noble piece of work in closing up the place known as "Johnnies." The Board of Supervisors should be commended for denying a card license the other day to the same place should they be allowed to reopen. Doomsday has come for that particular blot on the Campbell map. It is a shame that proprietors don't police their own places better and use more discretion in the element they cater to. The old cry is, "there has to be some place like this for people to relax in." Perhaps so, but to this writer that excuse doesn't go down very readily. A few well-chosen words would suffice to put the rougher element in its place. If it didn't, then a call to the Sheriff's office would be in order. The ultimate end for all such places comes in time with orders from the State Board of Equalization or the Attorney General's office. When public opinion has reached the point where further tolerance and tongue-in-cheek attitude become irksome, action comes with swift and sometimes devastating suddenness to the owners. Their investment is lost, as well as their arguments about the necessity of such places.

x x x

The most recent, and to our mind, the most flagrant case of flouting of convention, the law, and common decency, occurred at Walter Lamb's pool room on Railroad avenue last Saturday afternoon. An argument arose between two patrons; a third party, in trying to placate one of the belligerents was so severely beaten about the head that he required a doctor's attention. For a time there was a question in the doctor's mind on saving the man's eye-sight. That crisis passed, and the man will have the use of his eyes, but the fact remains that the man, who is fairly young, came very close to being incapacitated for the remainder of his days.

The aggressor in this case is to be tried on an assault and battery charge in Judge Blaine's court on Friday. It will be interesting to see what view the judge takes of this case of undue violation of human rights.

x x x

We are familiar with Portia's famed discourse on the quality of mercy. And we further believe in the principles of tolerance and understanding. But too many of these things have gone on around town lately and it is high time for all of us to quit being ostriches. We might as well face facts as they present themselves. Either Campbell will be run by a law-abiding group of people, with the law firmly and justly administered, or a "Vox Populi" tone will be heard.

x x x

Instances of the kind just mentioned must be considered as a boost for incorporation. With an efficient police force on duty at all times, some of our law-flouting element would think twice before they act.

x x x

Had your molasses and turpentine yet? Spring's here!

Spring's Debut Due Sunday

Mother Nature will be present in the audience Sunday, March 21, to witness the 1948 debut of her loveliest daughter—Spring.

Keep a watchful eye on the clock at 9:57 a.m. Sunday and you may be one of the lucky ones to see the weary, departing figure of Ole Man Winter and the bounding leap of Miss Spring as she

(Continued on Page 6)

Last Rites Read For Mrs. R. Gray

Funeral services were conducted Tuesday from the Amos O. Williams Mortuary for Mrs. Rose Gray, 57, of 301 N. Harrison, Campbell, who passed away Saturday after an illness of several months.

Mrs. Gray was active in community affairs, being a member of the Garden Club, Orchard City Grange and deputy of Pocahontas Zenetta Council of Los Gatos.

She is survived by three married daughters, Mrs. Lois Raye, Santa Clara; Mrs. Covell, Opal, and Mrs. Huston, Sunnyvale. Also surviving Mrs. Gray are Kenneth Gray and G. W. Gray.

Save Blooms, Men Urge

Water conservation is heartily endorsed by the Santa Clara County Men's Garden Club. The men have given special endorsement of a program put forward by Associated Nurserymen of Santa Clara County in their campaign to encourage the flower and plant lovers to continue their fine gardens.

This group of men are. for the most part, amateur gardeners themselves. They urge that the people of the county not abandon their large and costly investments in their gardens, but by careful use of the water that is available, conserve the gardens for which the Valley is noted.

Ann Enderton Wins Four-Year College Scholarship in National Competition

Olive Ann Enderton, a former Campbell High student and at present a senior at Leavenworth Senior High School, Leavenworth, Kansas, today was notified that she had been chosen from among 46,112 high school students to receive a 4-year Pepsi-Cola Scholarship which will send her to college with full tuition, a $25 monthly allowance for each school month, and traveling expenses to and from college.

Leavenworth's winner is the daughter of Colonel and Mrs. Herbert B. Enderton, former residents of Campbell, and the granddaughter of Mrs. W. H. Enderton of 543 N. 17th St., San Jose. Enderton is at present director of the Allied Officers Section, Command and General Staff College, Ft. Leavenworth, Kansas.

Ann began her high school career at Campbell High, where she spent her freshman and sophomore years. While there she was elected secretary of both the Horizon Club and the California Scholarship Federation.

Her junior year of high school consisted of 3 months at an Army school in Erlangen, Germany, where she was a member of a club for German and American students and took active part in the publication of the school paper.

At Ft. Leavenworth she is a member of the Army Brats Club and sings in the Post Choir. Ann hopes to continue her studies of science at Stanford University next fall.

Ann was informed that she was one of 121 students in the United States to win the four-year scholarship and that she had participated in the competition with 735 other Kansas students from 216 public, private and parochial

Campbell Rotary Receives Charter At Ceremonies

The newly organized Rotary Club of Campbell last Monday night was formally admitted to membership in Rotary International, the world-wide service organization which has over 6,700 clubs in some 70 different countries. Delegations from the Rotary Clubs in San Jose, Santa Clara, Sunnyvale, Gilroy, Los Gatos and San Francisco were present at the meeting to welcome Rotarians of Campbell into the fellowship of 300,000 business and professional executives throughout the world.

The official Rotary charter was presented to President Jim Arends, Sr., by Frank Allen, Rotary District Governor of Palo Alto, whose address to the club outlined the history and purposes of the Rotary movement.

"Rotary is a comparatively young organization," said Mr. Allen. "The first Rotary Club was organized in Chicago, Illinois, in 1905. Its basis of membership was the selection of one man from each business or profession in the community, thus establishing the club as a cross-section of the community's business and professional life. After more than 40 years of growth and development, that original plan is still the basis of membership of all Rotary Clubs throughout the world. These clubs —whether they are in North or South America, in Europe, Asia, Africa, or in the islands of the Pacific—are all united in the practice of the 'Ideal of Service,' which is thoughtfulnes of and helpfulness to others.

The Campbell club was given an additional honor by the presence of former past president of Rotary International, Charles Wheeler. Mr. Wheeler, who recently returned to the United States from a world travel tour, gave a very simply worded but penetrating talk on Rotary Fellowship throughout the world. The audience of over 200 Rotarians and their wives was deeply moved by Mr. Wheeler's inspiring message.

The Campbell club was presented with all of the paraphernalia used in the conduct of their

(Continued on Page 6)

Adult Classes Add Course in Rug Braiding

Classes in making braided and hook rugs will be held from 9 to 12 a.m. each Tuesday beginning March 30 in First Methodist church parlor.

Campbell High School's Adult Education Department sponsors the class. Mrs. Agnes Roberts, sewing instructor, is the teacher in charge.

Other adult education classes still open for enrollment here are a sewing class from 1:40-4:40 p.m. Thursdays in room 15, high school; folk dancing, from 7:30-9:30 p.m. Wednesdays in the gymnasium; upholstery, from 7-10 p.m. Fridays in the workshop; and two classes in woodworking, from 7:30-9:30 p.m. Mondays and Wednesdays and at the same hours Tuesdays and Thursdays, also in the workshop.

C. of C. Gets Down To Brass Tacks on Incorporation; Lively Discussion at Meet

The regular monthly luncheon meeting of the Campbell Chamber of Commerce entertained an enthusiastic group of 30 members and guests on Wednesday at the Country Woman's Club.

Richard W. Morton, who was to have presided as guest speaker was unable to attend, due to a legal case being suddenly called on the day of the meeting. Mr. Morton sent a representative, Mr. Don Reinoehl to express his regrets at not being able to attend. Mr. Reinoehl is a consulting engineer and expert on public works matters for several Santa Clara valley towns. He has also done extensive work on the Campbell Sanitary District.

Chief topic of conservation at the lively meeting was incorporation. The chamber, who is sponsor of the movement, has been active in gathering data from other localities and opinions of informed people on the subject.

One very interesting piece of information was supplied the Chamber by David Rutherford, who has secured a vast amount of data on other cities. The information, parts of which are quoted herewith is from Richard Graves, Executive Director of the League of California cities. In a letter addressed to Stinnett M. Sheppard, an attorney of Weaverville, California, Mr. Graves says: "The root of the problem (incorporation) appears to lie in the fact that an unincorporated community is dependent upon the county board of supervisors to get things done, rather than upon the will of the people of the community itself. Every action which must be taken, every service which should be provided, every measure of control which should be imposed, is dependent upon the action or inaction of the board of supervisors. Many of the communities which have incorporated in recent years have done so because they have not been able to persuade the board of supervisors to take the actions which the community felt were necessary to its welfare and development. As a result of incorporation, such decisions would be made by a city council elected by the people of the community, or directly by the people themselves through the process of initiative or referendum. In many ways the principal reason for incorporation and the principal advantages of it is to substitute local control by a municipal government through a city council for control by the county through the board of supervisors and other county officers."

"More specifically — a second principal reason for incorporation has to do with the unwillingness of most boards of supervisors to provide for zoning and control of land use within the unincorporated areas, the absence of control of subdivision development and design, and very general with the lack of building stan

O'Connor Largest Valley Charity Ever Subscribed

With Campbell standing fourth among the 17 valley communities participating in the O'Connor Hospital campaign, the O'Connor building fund now tops the million-dollar mark.

A total of $1,046,997 has been subscribed by 4644 individuals and business firms, it was announced at the report dinner last Thursday which closed the current phase of the campaign.

This is the largest sum, by a wide margin, ever subscribed in any fund-raising campaign in Santa Clara Valley.

The total was made up of $867,678 from central committee, and $179,319 from the field organization committee, the latter including the valley communities where local committees to aid the O'Connor campaign were organized.

Gilroy stood first among valley cities and towns, with $19,360 subscribed by 39 donors. This is in addition to the $30,000 given through central committee earlier in the campaign by Frank O'Connell, prominent Gilroy cattleman and rancher.

Santa Clara was second with 154 subscriptions for $5,985, Cupertino third with 91 subscriptions for $3,814, and Campbell fourth with 65 subscriptions for $3,791. Chairman of the Campbell committee was Joseph V. Gomes.

Summing up the campaign, Patrick H. Peabody, general chairman, said that although $1,046,997, plus the matching amount offered by the Sisters of Charity will not enable the Sisters to build the entire 300-bed hospital which they had planned. The Sisters nevertheless will start construction as soon as possible.

"The fact that we have raised over a million dollars is a tribute to the volunteers who have devoted so many months to this cause," Peabody said.

"It also is a tribute to the Sisters of Charity, and, in particular to Sister Berenice, head, of O'Connor Hospital, whose unswering devotion to her lifelong work has spurred all of us on.

"Although we have more than a million dollars, this sum, matched by an equal amount by the Sisters, will not make it possible to construct the entire new 300-bed hospital which this community needs.

"Despite this, I have been authorized by Sister Berenice to announce that construction of a portion of the new hospital will go forward as soon as possible after final plans have been approved by the General Council of the Sisters of Charity, and by city, state and federal health authorities.

"Furthermore, it is my sincere hope that, through continuation of effort, the public will have subscribed a million and a half dollars, which will be matched by the Sisters, by the time construction of the new hospital actually is under way."

Postpone "June Mad"

"June Mad"—the play that seniors of Campbell Union High School will present on behalf of their class, has been postponed until April 1 and 2.

It was originally scheduled for this Thursday and Friday evenings. Tickets already sold for those dates will be honored Thursday and Friday, April 1 and 2, when the curtain goes up on the light-hearted comedy.

Holy Week Plans Announced by St. Lucy's Church

Holy Week services in St. Lucy's Catholic Church will be climaxed at Masses at 7, 8, 9 and 10:30 a.m. Easter Sunday, March 28.

Confessions will be heard from 4 to 5:30 p.m. and from 7 to 10 p.m. Wednesday.

On Thursday Holy Communion services will be conducted at 7:00 a.m. with High Mass and Procession following at 9:00 a.m. Holy Hour will be at 7:30 p.m.

Good Friday services will begin at 12:00 noon with the Mass of the Presanctified, followed by Meditations and Way of the Cross. A sermon and Way of the Cross will be conducted at 7:30 p.m.

Holy Saturday brings High Mass at 7:00 a.m., Confessions from 4:00 p.m. until 5:30 p.m. and from 7:00 p.m. until 10:00 p.m.

Conservation Plan To Be Continued

Results of the voluntary power-control plan here are "very gratifying," according to Donald Aiken, sales manager of the San Jose division, Pacific Gas and Electric Company.

The plan will be continued one day each week during the power emergency, Mr. Aiken said.

Under the plan, local ranchers will not use electric water pumps for a 24-hour period each Wednesday.

Orchardists anticipate this will only slightly retard development of the prune, 'cot and nut crop this season.

MORE ELBOW ROOM!

Moorpark, San Tomas Schools Open

Today, March 18, sees the long awaited opening of the new Moorpark and San Tomas Schools.

Opening of these schools will allow children of the Campbell District to get back onto regular sessions and off the double session system under which the schools have been operating since last September. While this is a definite relief for the Campbell District pupils, it does not entirely satisfy present school needs and with the growing condition of the community, the school housing problems must still be faced.

The Moorpark School which has been operating within the building of the Campbell Union Grammar School is headed by Ben Mabie, as principal and staffed by the following teachers: Miss Dorothy Beatty, kindergarten; Mrs. Marjorie Kurle, first grade; Miss Marie MacDonald, first grade; Mrs. Wilma Rowland, first grade; Mrs. Ione Larson, second grade; Mrs.

(Continued on Page 6)

Stove Company To Employ 50 to 75 In First Durable Goods Plant Here

A sentimental attachment for Campbell had plenty to do with the establishment of the Santa Clara Stove Company, Inc., here.

It will be the first manufacturing plant for durable goods in the Campbell area.

In full production, the plant will employ between 50 and 75 people.

Its owner, Hugo Ehret, married a Campbell girl, the former Miss Anne Relfe, some 40 years ago, and has been a visitor back and forth between Campbell and Belleville, Ill., ever since.

Ten years ago, Mr. Ehret and his sons, Relfe S. and King Ehret, made up their minds to open a plant in Campbell. Came the war and with it postponement of their plans.

Last year, they obtained the property on which the 40x240 foot building will be erected and although steel for stoves is still in critical shortage, present plans call for production to begin here about Nov. 1.

Steel fabricating, except for small parts, will be done in the Illinois plant and parts will be shipped here for finishing and assembly.

Relfe S. Emert, secretary-treasurer of the Santa Clara Stove Company, is permanently stationed here and is in charge of the Campbell office. His father, Hugo Ehret, is president of the new corporation.

The new plant, now in the first stages of construction on Railway avenue, will house a division of the Oakland Stove Company of Belleville, which has been in operation all these years.

A new name, associated with the Valley, was chosen for the western division to prevent confusion about the city of Oakland, California, which has nothing to do with the case.

Sportsmen Will Stage Vacation Show in Oakland

Praising the event as a gigantic conservation classroom for California citizens of all ages, Henry Clineschmidt of Redding, president of the Associated Sportsmen of California, today urged the organization's 60,000 members to regard the Sportsmen's and Vacation Show, March 26-April 4, in the Oakland Municipal Auditorium, as a top-flight entertainment attraction for the entire family.

"Contrary to popular belief, the show is not merely a market place of hunting and fishing equipment, appealing only to men," he stated, "but a versatile indoor playground with displays of scores of different sports, resorts, vacationlands, equipment gadgets, and apparel, as well as a spectacular sporting theatre featuring various champions in thrilling performances."

Speaking for his organization, which will sponsor the second annual recreation carnival, Clineschmidt cited it as an excellent medium of acquainting children with the important topic of conservation of natural resources. He further pointed out that participation in wholesome outdoor sports like hunting and fishing combats juvenile delinquency.

Meanwhile Mel Morrison, show's general manager, today announced the signing of Anders Haugen, two-time Olympic Games winter sports team captain, and Bobbie Jackson, nationally famous ski jumper, for the twice daily "Parade of Outdoor Champions" floor show. The pair will perform a thrilling indoor ski jump.

Mildred "Babe" Didrickson Zaharias, world's outstanding woman athlete, and Howard Hill, the amazing archer, will headline the floor shows.

Water Supply Far Behind Growing Demand, San Josean Tells C of C

Over-all study of Bay Area and Central Coast water requirements and possible sources, and study of any other areas whose waters may be involved in Bay Area supply, will be requested of state agencies by the California State Chamber of Commerce for establishment of a master plan of water development for the entire district, it was announced today.

First proposed by the State Chamber's Central Coast Council at a recent Oakland meeting, and studied further by the industrial plant location committee, the State Chamber's request to the State Water Resources Board and other appropriate agencies will seek to have determined:

1. The area's existing water needs and future needs.

2. Existing sources of water supply and ability of those sources to meet the needs when fully developed.

3. Probable future sources of supply.

4. Probable service areas of existing and future agencies.

5. Relationships of Bay Area requirements to the Central Valley.

Industrial area water needs should be considered as well as agricultural and domestic demands, the State Chamber declares. It plans an early conference of representatives of communities concerned, agriculture and large water-using industries when the State Chamber request is presented to state authorities.

The State Water Resources Board, with the cooperation of the State Chamber's North Coast District, will consider water matters in Marin, Napa, Sonoma and other North Coast counties June 2, 3, 4 and 5.

"Development of Central Coast area water supply has not kept pace with our unforeseen agricultural, industrial and population expansion," Frank H. Shay, San Jose, Central Coast Council chairman, told the State Chamber directors. "The dry spell emphasizes the situation's seriousness and the immediate need of plans for the increased water upon which the entire area's economic future so largely depends.

"In the last few years—particularly, the last few months—there has been alarming overdraft of underground water in the area. Many wells have gone dry; contamination of others by salt water threatens thousands of acres of productive farmlands. Transition from orchards to truck farms requires ever more irrigation water. Additional complication is the heavy demands for water of new industrial developments. These could not be foreseen several years ago.

"Fullest possible utilization of local watersheds and a practical plan for further development of water supply from sources outside the region are essential. Far more water is used in this area than originates here. This is significant in light of the tendency of mountain and interior valley areas to retain more of the water originating there.

"A second difficulty is in the plans of Bay Area and Central Coast communities to tap water sources of neighboring communities, which, unknown to each other, plan development of the same water sources. Misunderstanding and controversy between localities can result—showing urgent necessity for over-all coordination of water development plans."

"AS I REMEMBER CAMPBELL"

Campbell's oldest resident to live here continuously, Charlotte W. Sutter has written the following narrative of early days here especially for The Campbell Press.

This first-hand account of one of California's early natives and settlers will be published in a series as space permits. It is part of our Campbell celebration of the gold centennial year.

By CHARLOTTE W. SUTTER

(Continued from last week)

Before the Americans came there were practically no roads. Travel was chiefly by horseback, and for this a narrow trail was sufficient. Where oxcarts ran the tracks were a little wider, but they had no legal status as roads. There being no fences, and the country being used principally for grazing, there was no necessity for the warning to "Keep off the grass." In going from one point to another an airline route was generally taken. This valley was grazing land for Mexican cattle. Plenty of sagebrush, chapaparral and willows had to be cleared off before the ground could be brought under cultivation.

My father, Larry Willett, was born in the state of Maine. The discovery of gold led him to come to this state. The long, weary journey was made by sailing vessel and six months were spent in the voyage, coming round the horn. He engaged in placer mining and returned east in 1855. Returning to California in 1860 he came to this county. Soon after reaching the Santa Clara Valley my father bought a squatter's right to about 200 acres. I have preserved the old deeds. My father married Elizabeth A. Hartwick of Santa Clara in 1861. He passed away July 9, 1877, leaving my mother with 5 children to rear. The large substantial barn erected on the premises was framed and fitted for erection in the state of Maine and brought around the Horn. There were four rooms. My parents lived there until they were able to build a more substantial home. I and my older sister were born in the old barn. I am proud to say that I am a Pioneer of California and the oldest resident of Campbell and have lived here all my life.

(To be continued next week)

S. Buckley Trains At Fort Knox

Private Silias Buckley, son of Mrs. Ethyl Ellis, Campbell, has been assigned as a trainee in the third cycle of the Universal Military Training Experimental Unit. After preliminary processing, he has arrived at Ft. Knox to receive six months training in the Army Ground Forces' model UNT battalion which has brought about nationwide comment since its inauguration.

This unit, to which Trainee Buckley has been assigned, was established with Regular Army personnel with the intent of finding the best methods to train 18-year-old boys in the event that the Universal Military Training program becomes a law. The proposed program, combining civilian and military methods, marks a departure from wartime training in that it places greater emphasis on raising the moral, physical, and mental fibre of the young men participating.

WASHABLE

Miss America of 1947, Barbara Jo Walker of Memphis, models a washable evening gown of ballerina pink chintz at a recent meeting of laundryowners. The material is a new washable fabric marvel developed through co-operative efforts of manufacturers and the laundry industry.

READ THE WANT ADS

Cubs To Fly Kites in Contest

Cub Scouts of Pack 9 will have a kite flying contest at the high school football field Sunday, March 21, at 1:30 p.m. All cubs of Pack 9 are entitled to enter and there will be prizes for the largest, smallest, prettiest and highest kite flown. Kites must be made by the cubs themselves. There will also be an exhibition of gas model airplanes.

SCHOOL ADDITIONS

At a recent meeting of the board of trustees of Campbell Union High School it was decided that the building of a new music wing be postponed indefinitely because of the high cost of construction at the present time. Although this plan was "vetoed" other plans are being made to build additional classrooms to accommodate the increased enrollment.

Infant Son Succumbs

Richard Otto Kersgard, son of Mr. and Mrs. Edwin Kersard of Dry Creek road, died March 7 in San Jose.

He was the grandson of Mr. and Mrs. Otto Kersgard, of Campbell, and Mr. and Mrs. Bert Bertelsen of Saratoga.

The boy, age 11 months and 7 days, died at the O'Connor Hospital of pneumonia. There are no other children. Mrs. Kersgard is the former Viola Bertlesen, daughter of Mr. and Mrs. Bert Bertlesen of Saratoga.

Funeral services were conducted March 9 from the Chapel of Roses, Oak Hill Memorial Park.

it takes TEAMWORK to SAVE electricity

Water is the lifeblood of California, and the burden of the critical water shortage must be shared by all. Not just the farmer! Industry, labor, business and the home must carry their share.

Long, dry months are ahead. Likelihood of appreciable rain diminishes daily. WATER MUST BE SAVED IN RESERVOIRS to meet even minimum requirements for domestic water supplies, irrigation and power production the rest of the year.

EVERY KILOWATTHOUR OF ELECTRICITY SAVED IS WATER CONSERVED!

ALL POWER THAT CAN BE SAVED MUST BE SAVED!

Teamwork today, through complete and conscientious cooperation with the Public Utilities Commission power curtailment program, will help forestall more severe restrictions later on.

Effective cutbacks by business, agriculture and industry today will minimize shutdowns and unemployment necessary despite all human efforts to counteract the drastic effects of drought in California.

here's how YOU can help:

1 FARMER
You, of course, are hardest hit by drought. But everyone else is sacrificing to help you. Industry is taking drastic cutbacks in production. Labor is taking cutbacks in shortened work weeks. Business is working literally in the dark and sacrificing revenues. Housewives, too, are on the team. Your share is a major contribution . . . closing down one day a week your pumps that put precious water on your parched land. Any other power saving you can make will stretch your water supply.

2 INDUSTRY
Management and labor alike are part of the team. Industrial economy and payrolls are inseparable from California's farm economy. And water is as vital to industry as it is to the farm because the bulk of the power that turns industry's wheels depends upon water. Industrial curtailments today forestall more drastic restrictions and greater manpower layoffs later. Every saving you can make will stretch your power supply.

3 BUSINESS
Butcher, banker, merchant, . . . your business in this state is part and parcel of the State's economy. Your contribution in power curtailment is vital to you as well as to the farmer, the industrialist and the laborer. You owe conscientious cooperation to your neighbor as well as to yourself. Police your own premises. See that the Commission's curtailment orders are carried out to the letter. And take whatever further steps you can find to save power and thus conserve precious water.

4 HOME
No power saving is too little to save water. Switching off one little light bulb for one hour seems a small way to cooperate in this emergency. But multiply your one light by thousands of homes in Northern and Central California and you will save enough water to operate a giant 100,000 horsepower electric plant for that one hour. Housewives can and must play a helpful role during this emergency. Switch off and turn out appliances and lights when not in use. Every little bit of electricity you save contributes to the public good.

SAVE ELECTRICITY FOR THE GOOD OF ALL!
ELECTRICITY SAVED IS WATER CONSERVED

Tennis Tourneys Announced by Campbell Club

Harold Drummond, Campbell Tennis Club president, announces that all Campbell Tennis Club members should sign up for tournaments by April 1. A tournament will be made out at the meeting Sunday, April 4. All members or others in the Campbell High School District interested in tournament play may send their names to Harold Drummond at Campbell High School.

At the meeting Sunday, club members voted to hold meetings the first Sunday of each month, hold practice periods every Sunday, charge 50 cents dues, and restrict membership to those living in the Campbell High School district.

Ann Enderton

(Continued from Page 1)

schools. One other Kansas student won a similar award.

The winners in the scholarship competition were first elected by their classmates to compete as students who were "most likely to make an important contribution to human progress." These candidates then took a special scholarship aptitude test in their own schools in November. Fifteen finalists from each state were selected on the basis of the scores made on this test, and these finalists took the regular supervised college aptitude test of the College Entrance Examination Board in January.

Spring's Debut

(Continued from Page 1)

makes her entrance into the Santa Clara valley.

Flowery forecasts of Spring are to be seen in our yards and if you cast an eye on the glistening, green grass, the tiny, budding flowers and the azure blue of the sky, you'll realize that Spring deserves top billing everywhere she goes.

She's the tears-and-laughter girl with the perennial glamour—all set for the universal glad hand.

C. of C. Gets

(Continued from Page 1)

ards which has made shack towns out of so many ootherwise desirable unincorporated communities. The unwillingness of counties to provide for control of the use and occupancy of land is almost universal in our state and has frequently been the controlling reason for incorporation in many areas. As you well know, when an area does incorporate, then such matters as zoning, building standards, and reasonable subdivision controls, come within the ordinance power of the city."

There is much more material presented in an unbiased manner from Mr. Graves which would be well for the people of Campbell to digest between now and election time. We will try to give more as it develops during the next few weeks.

Discussion at the open meeting developed into suggestions for names for city posts. Among those strongly recommended by various chamber members were: Oliver Jensen, for council; R. Lewis Brown, council; Maude Hyde, council; A. C. Currie, council; Walter Stray, council; Archie Brydon, clerk; Mrs. Hancock and Mrs. Cousins, treasurer. Mr. Brown stated that he would serve in any capacity such as councilman, as long as the position was not a salaried one.

Homer Hyde, newly elected director of the chamber pointed out the need for a stop sign on Winchester avenue at the intersection of Rincon. Traffis has become so heavy on Winchester, which is a county road, that it presents a problem for both vehicles and pedestrians entering Winchester from Rincon. Herb Shadle was named to find out what can be done to either have a stip sign put up on Winchester or place a slow zone sign at the intersection. k

Schools Open

Phyllis Pye, second grade; Miss Helen Prindiville, third grade; Miss Nadine Johns, third and fourth grades; Miss Evelyn Taix, fifth grade; Mrs. Lavon Corbin, fifth and sixth grades; Mrs. Grace Fairbanks, sixth grade, and Otis Strickland, custodian.

The San Tomas School has as its principal William Shuey and is staffed by Mrs. Josephine Decker, kindergarten; Miss Margaret Enas, first grade; Mrs. Anna Mae Miller, first grade; Mrs. Helen Poley, second grade; Mrs. Anna Marie Schafer, second and third grades; Mrs. Leora Emig, third grade; Miss Laura Blaine, fourth grade; Miss Ruth Metzker, fifth grade; Mrs. Verle Houghtaling, sixth grade, and Oscar Walter, custodian. The fourth, fifth and sixth grades of the San Tomas School will attend in the Campbell School for a few weeks until a new portion of their building is completed.

Teen-Age Pie Baking Champions

CHICAGO—Valerie Johnson, 17-year-old Chicagoan, second from left, won the 1948 national cherry pie baking contest held here. Shown with her are several of the state winners: left to right, Jean Beverdick, Sandusky, Ohio; Anette Haseth, Sargeant, Minn.; Marion Sommers, Appleton, Wis.; Eleanor Vonsik, Lockport, N. Y., and Marilyn Mills, Wheeler, Mich.

Rotary Club

(Continued from Page 1)

meetings. Among the gifts was a very large and costly American flag which will hang in the club room during all business sessions.

Fines were levied on visiting members to the extent of $277 which was presented to the new Campbell club.

In a well received acceptance speech, tinged with mirthful anecdotes, Secretary Forrest Reese received the gifts for the Campbell club. He expressed in more serious vein, his gratitude at being a member and an officer in such a worthy movement as Rotary.

Master of ceremonies for the evening was G. F. Bacon, assisted by Ken Hartman of the sponsoring Santa Clara club. The Rev. F. E. Raymond, also of Santa Clara, spoke the Invocation

Dinner music was supplied by Joyce Klassen, pianist, Mardel Sanders, cellist and Beverley Clauson, violinist. The vocal interlude was given by Dorothy Lee Rich, accompanied by Dorothy Donald.

The Campbell Rotary club meets every Monday at 12:10 p.m. in I.O.O.F. hall at First and Campbell streets.

The Rotary Club of Campbell, upon becoming a member of Rotary International, adopts the general objectives of the organization, which relate to the promotion of fellowship as an opportunity for service, the practice of high standards in business and professional life, the sponsoring of community-betterment endeavors, and the advancement of international understanding, good will and peace.

Officers of the new Rotary Club are Jim Arends, Sr., president; Ed Hubert, vice-president; Forrest Reese, secretary, and Cel Gerevas, treasurer. Other charter members are Frank Accardi, Vern Balcom, Joseph Canoles, Frank De Vita, Harry D. Blanchard, George Jeffers, George Keating, I. O. McConnell, William Maderis, Max Mercer, Dr. John Mott, Alison Peacock and Robert D. Peterson.

Church Youth Honored Sunday

Pastor Herbert Johnson of the Assembly of God Church announces that at 7:30 last Sunday evening the local church joined with the rest of its denomination in honoring their youth, which number over 100,000, on "National Christ's Ambassadors' day was, "Live Christ, Give Christ," and the special youth message was given by Reverend Phil Lindvall, recently from the New England states.

Services are held in I.O.O.F. hall, Campbell.

The devotional parts of the service were conducted by the local C.A.'s, with Mrs. Ray Brown, president, in charge.

The denomination's weekly radio program, "Sermons in Song" which is heard at 8:15 a.m. every Sunday featured the national C. A. director in a program designed for youth.

The Northern California-Nevada C. A.'s head the national youth organization in missionary giving in 1947 with $8,600 of a $93,000 "Speed the Light" program. Already comfortable motor launches, airplanes, jeeps, station wagons, motorcycles for foreign missionary use have been purchased. The latest project is cooperation in the building of a powerful transmitter in the Philippines which will cover all of the Far East and be dedicated to gospel broadcasting.

VETERANS LEARN NEW SKILLS

Whether it furnishes a hobby or a new skill, the making of hand-tooled bridles has provided one of many interesting occupational therapy tasks for convalescent patients in veterans' hospitals. Red Cross Arts and Skills volunteers serve as instructors.

H. G. Schwab Funeral Held

Funeral services were conducted from the Rutherford Funeral Home the afternoon of March 10 for H. G. Schwab, one of Campbell's respected citizens. Entombment followed in the Oak Hill Mausoleum in San Jose.

The services were largely attended and many came from quite a distance. Mrs. C. A. Miller, sister of Mr. Schwab, from Monterey Park attended the services.

Rev. Laurence J. Osborne, pastor of Campbell Methodist Church, gave the funeral sermon and paid high tribute to Mr. Schwab. Rev. Euzelle Cox of San Jose read the Scripture. Favorite songs of Mr. Schwab's were sung by Rev. Osborne and Mr. and Mrs. David Rutherford.

Pallbearers were his six grandsons: Donald and Stephen Schwab of Dinuba, James Ryan, Campbell; Carl Zarcone, Fresno; Charles Trammell, Yuba City and Wallace Davis, Los Angeles.

Mr. Schwab was born in Illinois and later lived in Nebraska. He moved his family to California in 1894 and they lived in the San Joaquin valley for 39 years before moving to Campbell in February, 1933.

Active and well until a few years ago, Mr. Schwab celebrated his 89th birthday December 10, 1947. He was preceeded in death by Mrs. Schwab three years ago, just a short time after they had celebrated their 63rd wedding anniversary. He was the eldest of 13 children.

Mr. Schwab was a member of the Campbell Methodist Church and in earlier life was an active leader in church and civic affairs of his community.

Survivors are Philip J. Schwab, Riverside; Rev. Albert H. Schwab, Kansas; William F. Schwab, Nebraska; Rev. Benjamin T. Schwab, Iowa; Mrs. Josie Miller, Monterey Park; Mrs. Linda Urbauer, Illinois; Elmer Schwab, Dinuba; Mrs. Luella Ryan, Campbell; Mrs. Mary Stewart, Live Oak; Mrs. Frances Hill, Los Angeles; seven grandchildren and six great grandchildren.

Crucifiction Story To Be Told

"The Crucifixion," the immortal story of Jesus' last moments on earth prior to the ressurection, will be dramatized over radio stations KSJO, 1590, and KSJO-FM, 93.3 megs., Sunday afternoon at 1:30 p.m. by the Oak Hill Memorial Park Sunday Players

Portrayed by top-flight Hollywood talent, Sunday's program is part of a regular weekly Sunday afternoon feature over KSJO and KSJO-FM, all the programs being a complete dramatization within themselves of stories from the "Book of Books."

On Easter Sunday the Oak Hill Memorial Park Sunday Players will present "The Ressurection," the story of the first Easter. Following that the Sunday afternoon series begins its dramatized versions of other storoies from both the New and Old Testaments.

Mrs. Gleed To Succeed Mrs. Weltz As PTA President at High School

Campbell High School PTA elected Mrs. James Gleed president at a recent meeting. Other newly elected officers are: First vice-president, Mrs. George Robertson; second vice president, Mrs. Glenn Campbell; secretary, Mrs. J. Cantoni; financial secretary, Mrs. D. A. Sanders; treasurer, Mrs. Robert Allinger; auditor, Laurence J. Hill; historian, Mrs. Ray Wood, and parliamentarian, Mrs. A. A. Weltz.

Linda Finch, Bud Whitmore, Reg Gazay, and Jasper Ciraulo, student council members, spoke on the Youth Center project which was carried on last summer. The topic of the day was "The Place of Our School in the Growth of Citizenship." Miss Muriel Carson was chairman.

Aileen Ciraulo sang a vocal solo accompanied by Lorraine Woods.

The business meeting was conducted by Mrs. A. A. Weltz, retiring president. Reports of the activities for the past year were given by the chairmen. Membership for the year showed 320 members, with 122 men members and a 100 per cent faculty membership.

Delegates to the district meeting on April 5 were chosen. They are: Mrs. Gleed, Mrs. D. A. Sanders, Mrs. L. Hill, Mrs. M. Dennis, Mrs. C. N. Gilbert, Mrs. J. Cantoni, Mrs. J. W. Knowles, Mrs. Allinger, Mrs. M. Blue, Mrs. G. K. Scharder, Miss M. Carson, Mrs. F. Oldham, Mrs. G. Campbell, Laurance Hill and Mrs. A. A. Weltz.

Mrs. Leslie Wilson, Mrs. Leo Price, Sixth District officers; Mrs. Edward Reynolds, El Paradiso Council president and the Almaden Unit were guests of the day. Refreshments were served by mothers of sophomore students.

• • •

Mrs. Mary Brabe returned to her home in Hayward Sunday after a visit with Mrs. Frank Lucas, E. Campbell avenue.

If your child turns up its nose at milk, make the glass attractive and appealing by pasting decals of flowers, fruit or something suggestive of special holidays. With such a festive party-like air, little coaxing will be necessary.

Girl Scouts in Historic Pageant

Girl Scout Troop No. 22 of the Campbell Union Grammar School will participate in a pageant, "Cavalcade of the Valley" this Saturday night and Sunday afternoon at the Civic Auditorium, San Jose.

The pageant is presented by San Jose Girl Scouts Inc., and is a dramatization depicting the history of Santa Clara Valley. Each of the 1300 Girl Scouts in the area is expected to participate in this production, written by a former leader, Mrs. Dorothy Tucker.

The local Girl Scout troop will be seen in Act IV, showing the founding of the Almaden Mines. Half of the troop will portray Indians, and the other half will be Spanish warriors.

Mrs. Nadine Webb supervised participation of Troop No. 22, and Mrs. Eugene Jansen and Mrs. Royal Page are in charge of costuming.

Past Pocahontas

The Past Pocahontas Club has laid plans for a series of five card parties to raise funds for a trip to the Great Council Convention this year in Long Beach. The first card party will be held March 31 and one each month up to and including July. They will all be held at the Woman's Club hall. Other dates will be announced each month.

Past Pocahontas Club meets the first Wednesday of every month at the home of Edith Anderson. The first meeting was held March 3 with four present and one absent. Next meeting is April 7.

NAZI-SOVIET PAPERS AVAILABLE TO THE PUBLIC

The captured German documents, recently released by the State Department describing Nazi-Soviet political relations, are now available to the public in booklet form, the Government Printing Office announced today.

These documents, taken from secret German foreign office files, are available for $1.00 from the Superintendent of Documents, Government Printing Office, Washington 25, D. C.

Fete Miss Merriman at Bridal Shower

Miss Dorothy Merriman was the honored guest at a shower given at the home of Mrs. Felix Barsano on Harriet avenue by members of the combined executive boards of the Campbell, San Tomas and Moorpark grammar school PTA's. The shower was a surprise affair and refreshments were served from a table charmingly decorated with a wedding ring in which a tiny bride and groom were standing. A pink and silver motif was carried out with pink camelias on the table.

Miss Merriman was also presented with a lovely camelia corsage.

Attend NCCW Luncheon

Santa Clara County Council, National Council Catholic Women of San Jose were hostesses to the San Francisco Archdiocesan Council, N.C.C.W., Saturday, March 6, in the Catholic Women's Center, San Jose.

At 12:30 a luncheon was served to 250 members. Among those seated at the table of honor were Mayor Al Ruffo, who welcomed the large group present.

Those representing St. Lucy's Woman's Club of Campbell were Mrs. M. Parr, Mrs. M. Fields and Mrs. J. Souto.

Santa Clara County Camp Fire Girls and Bluebirds will be hostesses to Girl Scouts and Boy Scouts at a Birthday Movie Saturday, March 20, 10 a.m. at the California theater in San Jose. The title of the picture is "Midsummer Night's Dream.' Girls are asked to wear service costumes.

Sunday, March 21, has been designated as Camp Fire Birthday Sunday to celebrate the 38th birthday of the organization. Girls will attend the church of their choice in groups.

Flower Tea Slated by Mothers Guild

One of the outstanding social events of the year in Santa Clara valley will be the Flower Arrangement Tea to be held under the auspices of the Bellarmine Mothers Guild on Tuesday, April 13.

There will be a tour of four homes decorated with flowers in keeping with the style of the house.

Tea will be served in the English style home.

Tickets may be purchased from Mrs. George Holland, 49 Gilman Avenue, or from any Bellarmine Mother.

For the school girls whose cotton dress just "won't" stay long enough, insert a wide girdle of eyelet embroidery, dyed a harmonizing color. Or to the hem, add a fold of material. . . . A tip, though, when dyeing remember to use all-purpose dye which works on any type of fabric.

Grange Asks Governor To Act in Power Crisis

At the March 9 meeting of Orchard City Grange a resolution sent in by Santa Clara Pomona Grange was read which urgently requests the State Public Utility Commission and the Honorable Governor Earl Warren to act on the present power and water shortage during the present emergency. Copies of this resolution will be sent to all newspapers in this area. Orchard City Grange voted unanimously to support this resolution.

Announcement was made that the Pomona Home Economics club will meet in San Jose at the corners of Alum Rock avenue and White road, March 31. Mt. Hamilton Grange will act as host and potluck lunch will be served at 12:30 p.m.

Mrs. Margaret Buck was voted in as a new member of the Orchard City Grange.

Guest speaker for the evening was Mrs. Clara Huber Brass, recently returned from Germany. Mrs. Brass gave an interesting travelogue on scenic Germany, followed by a piano recital of "The Prelude in C Sharp Minor" by Rachmaninoff. Present as guests of the speaker were Mrs. C. E. Huber, sister of Mrs. Brass and Mr. Huber of Campbell.

Refreshments were served after the meeting in the banquet hall where the St. Patrick's motif prevailed at tables decorated with bits of Shamrock. Keeping the theme of St. Patrick's several Grange members were asked to tell Irish stories.

The next meeting will be March 23 and the lecturer announces the program will be taken over by the Garden Committee of which Mrs. H. Barnes is chairman. It will be a surprise program.

LETTER TO THE EDITOR OF THE CAMPBELL PRESS

At our last meeting (Orchard City Grange) H. M. Shadle, master of the Grange informed the members that someone had called the editor of the Press, expressing her indignation about not giving the Grange float in the recent Old Settler's Day any mention in the Campbell Press. Not giving any name she also added, "You can cancel my subscription." I must confess that I felt guilty of neglecting my duty being on the Publicity Committee besides being personally asked by the editor about the particulars of the float. I did not have all the information necessary and hoped that someone else would supply that and therefore the editor is not so much to blame.

I also want to say that the Campbell Press has been more than generous to the Grange publicity since I accepted this office and I can assure the editor that the Grange appreciates it as several members commended it very gratefully.

But here follows a belated report: The float had our project of the West Valley Hospital District on a big sign with a picture of a proposed hospital building. It also had a loud speaker system, installed by Mr. M. Keesling. The announcer was H. Shadle. The rest of the committee responsible for the float was Mrs. M. Keesling, Mrs. Hedegard, Mrs. Shadle, Mrs. Sayer, Mrs. McChesney and Mrs. Melisa Smith.

California has enacted a law enabling the people of an area to form a public hospital district. After formation the people may, if they desire, provide funds by taxation for the erection of a hospital to be owned and controlled by and to serve the people of the district. This is the basis of the proposal for a West Valley Hospital District.

About 1100 signatures are required on a petition and Orchard City Grange has taken on the job to circulate these petitions to get signatures.

This proposal embraces Los Gatos, Campbell and Saratoga in the district.

ROBERT WURFER, SR.

Twins Enter Junior Grand National
Hope for Ribbons and Scholarships

GRAND NATIONAL CENTENNIAL GIRL Miss Mary Beth Seaborn congratulates twins, Lauris and Lairy Dobbins, members of the Orland, Calif., 4-H Club, on condition of their Holsteins, which they will exhibit in the Grand National Junior Livestock Exposition at San Francisco Cow Palace March 20 to 25. The twins say they are also looking forward to high school and a chance at, not only blue ribbons, but one of the Standard of California $8,000 Sweepstakes Awards, rich annual scholarships which are being inaugurated with this year's Junior Grand National.

Veterans' News

The number of World War II veterans enrolled in school or taking on-the-job training in the Veterans Administration Branch 12 area (California, Arizona, Nevada and Hawaii) jumped from 12,000 to more than 200,000 in two years time.

The more than 200,000 veterans taking advantage of the educational and job-training provisions of the G.I. Bill and Public Law 16, for disabled veterans, in February of this year, represents an increase of 1500 percent over two years ago.

This year the state of California showed the greatest increase in the nation in the number of veterans entering training and VA officials do not expect the registration of veterans in school to reach the peak until the spring of 1949.

Cost of the educational and job-training program in the Branch 12 area is roughly one million dollars a month for tuition and books and six million dollars a month for subsistence allowances, VA records reveal.

More than 2,500,000 veterans were training in the nation's schools and job-training establishments by the end of 1947. Of the total, a record number of 2,014,821 were enrolled in educational institutions.

At the same time, nearly 256,000 disabled veterans were enrolled in all types of training under Public Law 16. About 147,000 of these were in schools, colleges and universities and the remaining 108,706 were training on-the-job.

QUESTION: I have completed my job-training course and find that I still have entitlement left under the educational provisions of the G.I. Bill. Will I be permitted to go to another school for the remainder of my entitlement?

ANSWER: If you have entitlement time left, you may use the remainder either for job-training or for educational training with Veterans Administration prior approval.

QUESTION: How are places of job-training approved under the G.I. Bill and how does a veteran find out what establishments are approved?

ANSWER: Training establishments are approved by state approving agencies for job-training under the Servicemen's Readjustment Act (G.I. Bill). All VA offices maintain a list of approved establishments in the area in which they are located.

SAFETY DIRECTOR—C. N. (Jimmy) James, pioneer in air transportation, has been appointed director of safety for Western Air Lines. Creation of the new position is in line with Western's paramount policy of concentrating on safety and is in accord with the recommendations recently made by President Truman's Special Board of Inquiry on Air Safety. Western thus becomes the first airline to comply with the presidential board's suggestion that all air carriers appoint a full-time director of safety. James has been associated with Western, America's oldest airline, since its inception in 1926.

State Issues Call for Auditors

Over 300 auditing positions with various agencies of the California State Government are to be filled in the near future, it was learned from State Personnel Board officials.

Entrance salaries range from $220 to $310 monthly for these positions, many of which will be with the State Board of Equalization, the State Department of Employment, and the Franchise Tax Commission. Applications which are postmarked no later than April 3 will be accepted, it was learned.

Application blanks may be obtained at offices of these agencies, as well as offices of the State Personnel Board. Mail inquiries should be directed to Worth M. Clure, Jr., State Personnel Board, 401 State Building, Los Angeles 12, California.

Wedding Gowns Will Be Modeled By Junior Set at Fashion Tea

Twelve wedding gowns ranging in style from 1866 through the years until 1947 will be modeled by the junior set of Campbell during "Memory Lane," an annual musical tea to be presented by the Womens Service Club at 2 p.m. Wednesday, March 24, in Methodist church of Campbell.

Wedding gowns of three generations in the W. N. Lloyd family will be shown during the afternoon affair.

Edith Vater Zitelli, soprano, will sing a group of three numbers, accompanied by Mirian Blaine Turner. Miss Zitelli was graduated from Zonilliard School of Music and is now a member of the Stanford Workshop.

Miss Betty Moser, a member of Palo Alto Fortnightly club, will present three violin selections. Mrs. Charles Moser will accompany her daughter. Rev. Lawrence J. Osbourne, baritone, will sing a group of numbers, accompanied by Edith H. vanRossom. Mr. Osbourne received his B.M. in music at Bush Conservatory in Chicago.

Edith H. vanRossom has prepared organ music to proceed the showing of the gowns and to be played during the tea hour.

General chairman of "Memory Lane" is Mrs. Raymond J. Flagg and working with her on the food committee are Mrs. Herbert Binley, Mrs. Frank Richardson, Mrs. Bill Means, Mrs. Ward Edsinger and Mrs. Ruy Howes; decorations —Mrs. Esther Short, Mrs. Thais Ackerman, Mrs. Arthur Tindal, Mrs. Everett Nelson, Mrs. Guy Farley; program—Mrs. Earl Buck, Mrs. Esther Johnson and Mrs. Eulah Blaine; printing — Mrs. Laurance J. Hill; table setting—Mrs. William Powell, chairman; Mrs. Herman Rice, Mrs. Winnie Grizzel, Mrs. Bernice Savaker; gowns — Mrs. Bessie Kennedy, chairman; Mrs. W. N. Lloyd, Mrs. Alfreda Runge; clean-up — Miss Muriel Carson.

Waitresses will be obtained and directed by Mrs. Joe Dahl and Mrs. Harold Drummond.

A nursery in the nursery building on the Methodist Church property will be maintained for small children during the tea.

Members in charge of reservations are Mrs. L. Ben Howard, Campbell 3586; Mrs. Earl Buck, Campbell 2132 and Mrs. R. J. Flagg, Campbell 3566. All reservations must be made by Monday evening. Tickets will be sold at the door.

Netops Plan Card Party

April 23 is set for the date of a card party Netops Council, Degree of Pocahontas, will give this spring.

Members of the sewing circle are making prizes for the affair. The circle will meet Friday, April 1.

The drill team will trail to Wanda Council this evening, Thursday, March 18, to confer the degree at a school of instruction.

Veda Folden presided at a meeting of the Council Friday evening in I. O. O. F. hall. A St. Patrick's Day party was held at the close of the meeting.

31 Scout Groups Enter Badge Show

To date, 20 Boy Scout Troops, nine Cub Packs, and two Sea Scout Ships have entered the 1948 Merit Badge Show.

Hundreds of Boy Scouts, Cubs and Sea Scouts will demonstrate their Merit Badge specialties for two days on April 2nd and 3rd, at the San Jose Civic Auditorium.

The Merit Badge Show is a county-wide Scout event that will again be sponsored by the San Jose Junior Chamber of Commerce.

San Jose will be represented by 11 Scout Troops, two Sea Scout Ships, and seven Cub Packs. The Los Gatos group will include three Troops and one Cub Pack. Sunnyvale will have two Scout Troops in the show. Gilroy has one entry and so does Saratoga and the Moreland school. A Scout Troop and a Cub Pack will uphold the honors of Campbell.

The sign-up shows a total of 31 units preparing Merit Badge material for the big, two day event. There are 21 groups on the roster who participated last year, and 10 new Scout entries.

Legion Auxiliary Will Entertain Distri ct President Wednesday

Vivian Wright, 13th District President, American Legion Auxiliary, will make her official visit to Campbell Auxiliary to Post No. 596 at a meeting scheduled for March 24.

Committees are working hard to carry out an Easter theme for the evening's entertainment. A short program will be presented to be followed by a supper. The meeting will start promptly at 8:00 p.m. and all members are urged to come and bring a prospective member.

The regular monthly meeting of Campbell American Legion Auxiliary was held Wednesday evening at the Campbell Women's club with Arrah Peck, president, presiding.

A vote of thanks was sent to Henrietta Smith, who, by her untiring efforts, made the unit's Poppy float one of beauty and inspiration in the parade.

An excellent report was given by Edith Morley, covering recent classes for volunteers at Palo Alto Hospital. These volunteers are very much needed and it is hoped that when the next classes of instruction are given more women will take advantage of this opportunity for service. Edith Morley and Clara Falgalde volunteered for one day each month.

Evabelle Fuller, Americanism chairman, gave a report on the essays to be submitted by the three grammar schools and Campbell Union High School. The high school has not selected the student for Girl's State at the present time.

Members wishing to attend the dinner in San Francisco, honoring the national president, April 5, are asked to notify the president before March 31 so that necessary arrangements can be made.

A donation of $25 was voted to the Red Cross by members present.

El Paradiso Council Elects Mrs. Fagalde President

The regular meeting of El Paradiso Council PTA was held last Friday at the Congregational Church in Campbell. Reports from all units in Council were heard during the morning session by President Mrs. Edward Reynold. Revised Council by-laws were read by the parliamentarian, Mrs. G. S. Robertson and adopted by the council.

During the afternoon session, incoming officers were elected and installed. Mrs. Jessie Potts, Sixth District Officer, conducted the installation ceremony. New officers for the coming year are: Mrs. Clarence Fagalde, president; Mrs. A. C. Anderson, vice-president; Mrs. R. L. Allinger, secretary; Mrs. Leonard Meritt, treasurer; Mrs. John Cantoni, financial secretary; Mrs. H. A. Page, historian; Mrs. Virginia Kaufman, auditor.

Appointive officers were ratified as follows: Parliamentarian, Mrs. Donal Lukehart; character education, Mrs. Edward Reynolds; hospitality, Mrs. Raymond Flagg and Mrs. Alfred Weitz; corresponding secretary, Mrs. J. R. Longfellow. Appointed as finance and budget committee were Mrs. Mary Dennis, Mrs. Wanda Olson and Mrs. Merle Gardner.

Mrs. Leslie Wilson, visiting Sixth District officer, requested that all district convention reservations be in before March 23. Unit presidents will send all reservations to Mrs. Clarence Fagalde, Rt. 1, Box 280, Campbell.

Reservations and fee for State Convention must be sent as soon as possible to Mrs. Leslie Wilson.

The next meeting of El Paradiso Council will be held at the Moreland Elementary School May 21 when a school of instruction will be given.
